*Celebrate your child's birthday with a donation to the library!*

A unique way to celebrate your child's birthday (and half-birthdays, too) is by giving a favorite book to our school library!

Mrs. Kellner and The Birthday Book Club Committee have created two ways to donate a book to the library in your child's name.

1. An online Amazon list\* of books that would be great additions to our library collection. All you need to do is choose a book from the list, complete payment, and have shipped to the school.

*The link to this list is: <http://a.co/4ShbLwS>*

Please make sure to include a "Gift Message" with your Amazon purchase, and email Mrs. Kellner ([skellner@uscscd.k12.us](mailto:skellner@uscscd.k12.us)) so that she knows who is sending the book and for whom it is being dedicated.

*\*When purchasing books, please select "new" books and library bound (when available) or hard cover to ensure durability and enjoyment for years to come.*

2. A hardcopy list of book selections for donation to the library. Just "check the list out" (available at the library), make a selection, provide payment and the dedication information, and the Birthday Book Club Committee will obtain the book for you.

Does your child have a favorite book that isn't on any of our lists? No problem! Please feel free to email Mrs. Kellner, or the Birthday Book Club Committee, and we will add it for you!

*Each book that is donated will be processed and will include a custom bookplate with your child's name. Mrs. Kellner will present your child with the book and they will be able to be the first student to check it out! Books will then become part of the library's permanent collection for everyone to enjoy for years to come.*
